# Jackson Township New Service Days

Under the new contract, Penn Waste will be changing the collection days for some residents of Jackson Township. This change will go into effect the week of **January 3rd, 2022**. This is due to the growth that has taken place over the past few years within the municipality. By doing this, Penn Waste is able to balance our routes, allowing us to better serve the residents of Jackson Township. We look forward to continuing to service the residents of Jackson Township under this new contract.

Please reference the map to the right of this image.

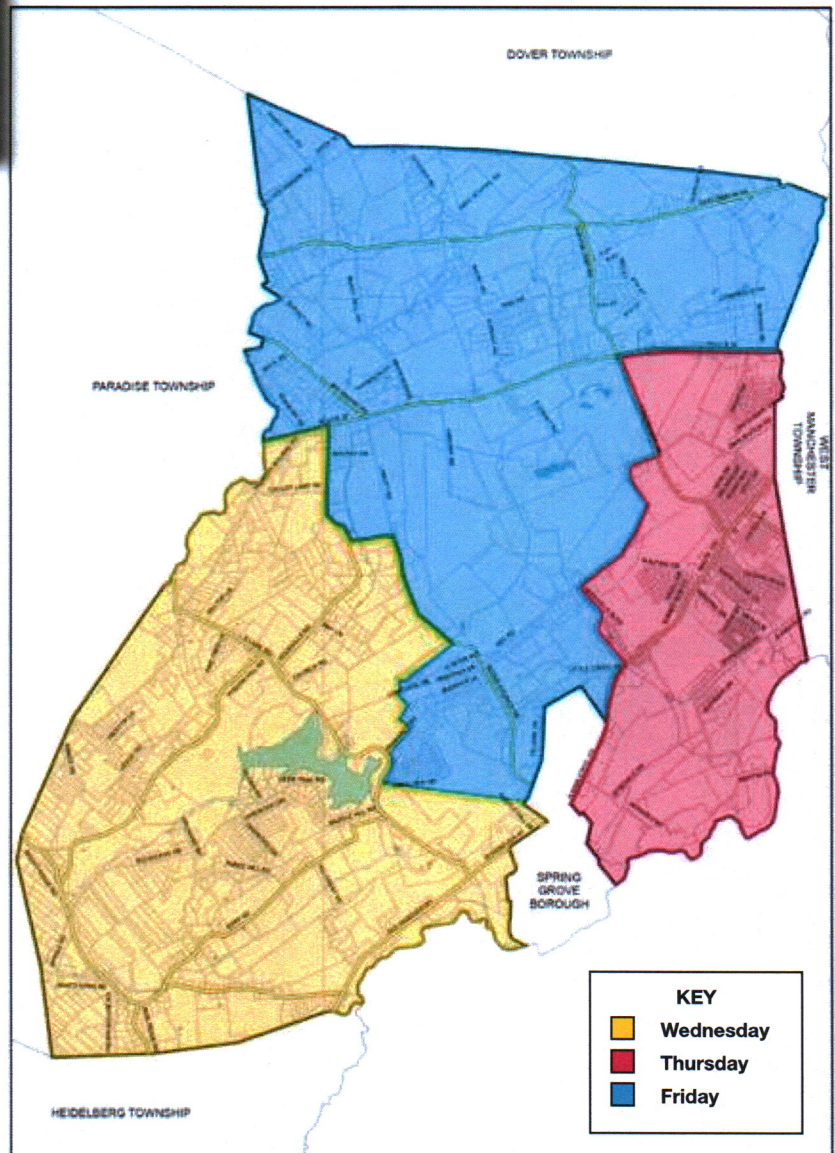

- The customers that reside in the **Yellow** highlighted area will be collected on Wednesday. Your first collection in the new contract will take place on January 5th, 2022.
- The customers that reside in the **Pink** highlighted area will be collected on Thursday. Your first collection in the new contract will take place on January 6th, 2022.
- The customers residing in the **Blue** highlighted area will be collected on Friday. Your first collection in the new contract will take place on January 7th, 2022.

Please see a calendar of the newly scheduled collection days further in this flyer. The calendar notes how any holiday observed will affect your collection schedule.

All waste, recycling and bulk items should be placed curbside prior to 6:00 AM on your newly scheduled service day. We recommend placing your waste curbside the evening before your collection day to ensure that is collected, as we may start early.

If you should have any questions on your new service day, please feel free to contact our customer service department at 717-767-4456.

## Jackson Township Pickup Schedule

## Bulk Item Collection Guidelines

Jackson Township residents may dispose of one (1) bulk item per week through curbside collection. Low Volume customers must attach a bag to the bulk item. In order to have your bulk item collected, please contact our customer service department to schedule your collection. In the new contract, we will be collecting bulk items by appointment only.

**ACCEPTED MATERIALS** – Appliances, furniture, mattresses, box springs, one (1) car tire without the rim, lawn mowers (oil and gasoline removed), plumbing fixtures such as toilets and sinks, three (3) 4 ft. rolls of carpet (tied).

**NON-ACCEPTABLE MATERIALS** – Electronic Waste (computers, televisions, etc.) chemicals, stains, liquids, batteries, automobile parts, hazardous waste, tires on rims, commercial/industrial waste, construction materials (drywall, brick, block, lumber, shingles, tiles, concrete).

**ADDITIONAL INSTRUCTIONS** – Items which are too heavy to be lifted into a truck by two people will not be accepted. Additional trash bags are NOT considered a bulk item.

Appliances with Freon will be collected by appointment only. Please call Penn Waste at 717-767-4456 to schedule collection. (Items include but are not limited to air conditioners, refrigerators, freezers, etc.)

# Mobile Trash Cart Delivery

*for Jackson Township Residents*

As part of the new contract, Penn Waste will be distributing mobile carts to the residents of Jackson Township for trash service. These will be distributed to customers on the Basic Service level only. Residents should already have a 64 gallon mobile cart for recycling. Residents will begin seeing mobile carts delivered in December of 2021. You may begin utilizing the cart once it is received.

- **Basic Service:** customers will receive one (1) 96 gallon mobile cart for trash service. No excess bags will be collected.

Penn Waste will be collecting the residents of Jackson Township with an automated side load truck. The utilization of the mobile cart is required. This will help our crews to better service you by providing automated collection of your trash and recycling.

## Proper Mobile Cart Placement:

Please be advised that all mobile carts should be placed behind the curb. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out by 6:00 AM the day of collection or AFTER 6:00 PM the night before.
- Place mobile cart with the lid handle and wheels pointing toward your residence.
- Do not place cart in the roadway.
- Do not block walkways with carts.
- Place carts at least THREE FEET APART from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.
